

## PAY PHONE/CUSTOMS CHECK-IN

We are a designated Customs check-in point (1-888-226-7277). There is a pay phone located across from the washrooms. Don't forget to check in with Canadian Customs if you are returning to Canada or if you are a visiting resident of the United States! Customs requires all passengers to stay on board until you make this call.

## RECREATION

Rotary Park is located behind the Marina. It has a children's playground, swimming beach and picnic areas. 300 metres further is the Lemoine Point Conservation Area, a beautiful 335-acre conservation land with 15 km of walking trails.

For a real thrill, take a tour of the area by air. Call Ontario Fun Flyers 547-5255 for tours by plane.

Kingston has much to offer: theaters, museums, shopping, tours, golfing, etc. Ask us for the most recent copy of the Key To Kingston Guide.

## TAXI SERVICES

Kingston and Amherst Taxi is 542-3333. Amy's Taxi 546-1111. A cab to the Cataraqui Town Centre (closest and largest shopping center) is approximately \$8. To access historical sites, excellent shopping downtown, and the scenic Kingston waterfront, a cab would cost \$15-18.
